

## CUSTOMISATION, QUALITY, NO COMPROMISE

**In the last 4 years we've delivered over 40 projects in the Canterbury region, each one unique and specifically engineered.**

Thermosash's capability and international industry leading Unitised™ façade technology ensures innovation in design without aesthetic compromise.

Specify the Thermosash range of curtainwall, commercial windows, shop fronts, sliding doors, bespoke external elements and seamless integration of seismic design for your next uncompromising project.

**Locally testing, engineering, manufacturing, installing and standing behind our façade systems since 1973.**
